Do you smell that, <<FName>>??

Yep, that's FALL alright!

This time of year, it's easy to recognize that there are 2 kinds of people: those who LOVE Fall (they basically drool over cooler weather, bonfires, beautiful fall colors, and let's not forget Football) and those who are downright *depressed* that summer is almost over (summer to them means WARMTH, vacations, kids home from school, and beautiful flowers). Well, if you're one of the folks that are crying into your tissues over the thought of frost, we figured we would give you some ideas to help you love autumn again. Try one of these fun, family-friendly fall activities and see if they can help change your mind! Otherwise... Spring is right around the corner! (not really, but whatever helps you feel better!)

Did You Know...

September 14th is National Hug your Hound Day! Give your furry friend a big hug to let them know how much you care.

Pumpkins, a traditional fall decoration, was first named "pepon" by the ancient Greeks, which translates to "large melon".

Fall is the best time of year to witness the Aurora Borealis, more commonly referred to as the Northern Lights.

Go Apple Picking

Take a trip up to the local apple orchard! Spend the day picking fresh apples, then wind down with some hot apple cider and sugared donuts. Yum!

Get Lost in a Corn Maze

There's nothing like being stuck in a field of corn with the people you love. Embrace the challenge and see how great your navigational skills are with this classic fall activity!

Carve Your Own Pumpkin

Be a pumpkin Picasso! See who creates the scariest pumpkin, or compete to create a celebrity look-a-like! After, you can bake some pumpkin seeds with cinnamon and sugar for a tasty fall treat.

OVEN ROASTED SQUASH WITH GARLIC & PARSLEY

- ◆ 5 lbs winter squash peeled, seeded and cut into 1-inch chunks
- ◆ 2 tbs extra-virgin olive oil
- ◆ 1/4 tsp ground pepper
- ◆ 1 1/2 tsp salt
- ◆ 3 cloves garlic, minced
- ◆ 2 tbs chopped Italian parsley

1. Preheat oven to 375°F.
2. Toss squash with 4 teaspoons oil, salt and 1/4 teaspoon pepper. Spread evenly on a large baking sheet. Roast, stirring occasionally, until tender throughout and lightly browned, 30 to 45 minutes (depending on the variety of squash).
3. Heat the remaining 2 teaspoons oil in a small skillet over medium heat. Add garlic and cook, stirring, until fragrant but not brown, 30 seconds to 1 minute. Toss the roasted squash with the garlic and parsley. Taste, adjust the seasoning and serve.
